NURSERY

In nursery we have been enjoying Class 1's topic of Superhero's and expressing ourselves through play in our role play area. We have recently had a home corner, a vets and now a café. We enjoyed joining in with the football event at Walsingham School. Every child was brilliant.

We are looking forward to learning our Christmas play in the coming weeks.

ROBINS

In Robins class ,we have now moved onto a new learning theme called 'Holes'.

In Science, we have looked at nocturnal and diurnal animals and their habitats. We have explored badgers and their habitats. We can say the habitat name, that they are nocturnal and how they are so intelligent with changing their beds!

We have also been working very hard during literacy and maths.

Some of us have been working on blending to read and others writing a recap about "Percy the Park Keeper" after the storm.

In maths, some of us have been working on taller and shorter measurements, and others have working on column addition.

FLAMINGOES

We have continued to enjoy our learning theme of Ancient Greece—learning about the various Gods and Goddesses that were worshipped.

We have started to rehearse our Nativity —your child will come home with copies of scripts to learn. If they have lines (highlighted) please help them to learn these off by heart and with expression.
