28 March 2025—Friends Quiz Night at Binham Village Hall

3 April 2025—9.30am Easter Service at Church

SUMMER TERM

We return to school on Wednesday 23rd April. Our Learning Themes for the Summer Term will be:

Class 1—Local Studies and the United Kingdom

Class 2—Where we Live and Diversity

More to follow early in the new term about trips linked to our learning and also End of Year fun!

SCHOOL MEAL PRICE INCREASE

The price of paid for school meals is increasing from 1st April to £2.70 (up from £2.58). (This is for nursery and KS2 children not in receipt of Free School Meals).

NURSERY

Nursery children have all been working on their sound and number recognition. Some children are able to write their names and short words with some adult support. They have enjoyed learning about their bodies and are looking forward to exploring in the outside area as the weather improves.

ROBINS

Robins have been working hard during this Spring Term. They have continued to enjoy the learning theme of Our Bodies, Growing Things and Life Cycles.

Children have explored their senses in practical investigations including tasting crisps and smelling pots. They have learnt about animal diets and are using vocabulary including carnivores, herbivores and omnivores. Children have also classified animals and explored habitats. The children are looking forward to growing their own bean plants.

In English, Reception children have been working hard writing short words and some are writing simple sentences with little help. Year 1 children have completed a fantastic explanation text about a plants life cycle. They have also explored traditional tales of The Enormous Turnip and Jack and the Beanstalk. Children are currently working on writing their own versions of Jack and the Beanstalk.

In RE, children are exploring symbols, stories and traditions linked to Easter. They have made Easter crosses and thought about what symbols represent linking this to the Easter story.

FLAMINGOES

In Flamingoes, we are continuing to enjoy our learning theme of Health Minds, Healthy Bodies. We have learned about the skeletal system and are about to cover the cardiovascular system within the body. We will also look at how unique our fingerprints are.

In Spanish, we are learning to name our bodies parts as well as writing sentences about our eye colour, hair colour etc...

In Geography, we continue to learn to locate countries around the world using atlases and maps.

Our English text, the BFG, has given us opportunities to write recipes, formal and informal letters as well as reports about the man-eating Giants and Giant country!

We have produced some amazing Art that we are looking forward to having displayed at the Federation Art Exhibition in Jun.

We all continue to make progress with swimming lessons, which finish at Easter.

THINGS TO REMEMBER

- ⇒ School opens at 8.30am. Children should be in school by 8.45am ready to learn.
- ⇒ Check Dojo/Tapestry regularly.
- ⇒ All children need their home-school learning books in school every day please — especially on a Monday ready for spelling tests.
- ⇒ School uniform Monday, Thursday and Friday and PE Kits on Tuesday and Wednesday.
- ⇒ Coats are required in school due to changeable weather.
- ⇒ Please ensure children have a bottle of water each day.
- ⇒ Report absences to school **by telephone** before 9.00am each day of absence.
