## MESSAGE FROM MR SNOWDON

*The summer term is now fully up and running and what a fantastic and fun-filled few weeks it has been. There really is so much to celebrate, including Mr Cunningham, our highly-skilled Site Manager, has done a brilliant job in painting the new Kelling library which looks fantastic as we get closer to it being ready for the grand opening (watch this space!).*

*The Year 5 pupils who attended the residential trip to How Hill on the Broads last month had a brilliant time (check out all the pictures on your schools' website!) and were a credit to the Federation, behaving impeccably and really engaging well with all of the activities.*

*And our annual Founding Day celebration, this year held at Binham, was a triumph - we had a lovely service at Binham Priory and then the pupils all loved having a picnic lunch and playing together at the Village Hall.*

*And finally... good luck to all of the Year 6 pupils with their SATS next week. You've all worked so hard, stay calm, it is your time to shine!*

*Enjoy reading the newsletter and, as ever, thank you for all of your support of our wonderful schools.*

## UPCOMING KEY DATES

Next Celebration Worship – 30th April

11th – 14th May – Year 6 SATS

15th May – EYFS/KS1 Federation Art Morning here

25th – 29th May – Half Term

## WRENS

Hello,

We have really enjoyed being outside a lot more as the weather improves. The children have access to inside and outside activities that relate to our topic and book each week.

Please make sure you send your children in with weather appropriate clothing, suncream and a raincoat every day now.

We are starting to look at grouping and sharing and talking about making things fair, or seeing if there are any left over. You could do this with your child at home, sharing toys between 2 and counting how many each person has.

'Journeys' has been lots of fun so far, we have produced great art work and looked at really exciting ways of travelling. Keep up the good work Wren Class.

## ROBINS

Robins have completed their money topic in Maths. All of the children have been able to recognise the value of coins and notes and select coins to make different amounts. Children have also found change for items and persevered when they found things a little tricky.

In History, children have learnt about a significant figure from the past called Amelia Earhart. They enjoyed learning facts about her life and hearing about her flying adventures. Children loved the name of her first bright yellow plane, Canary!

Children have planned and made cardboard tube planes this week. Children are becoming more independent working from their own plans and selecting resources they need.

## FLAMINGOES

Flamingoes have completed some amazing evacuee diary entries in English; they have tried to use speech, hyperbole and idioms in their diary to make it interesting and realistic.

Across the class in maths, we have now started units on Fractions, Decimals and Algebra.

Flamingoes have enjoyed their PE lessons with Robins; we have completed lessons on javelin, shot put, discus, football cricket, tennis as well as throwing and catching skills.
In
Science, we have been learning about the functions of parts of a plant – roots, leaves, stem and flower, in addition to learning how water is transported in a plant.

Spelling learning and homework completion is going well, so thank you for your support and please keep this up as it really shows in school.

# THINGS TO REMEMBER

- School opens at 8.30am. Children should be in school by 8.45am ready to learn.
- Check Dojo/Tapestry regularly.
- All children need their Fish (home-school learning) books in school every day please
- School uniform Monday, Thursday and Friday and PE Kits on Tuesday and Wednesday.
- Coats are required in school due to changeable weather.
- Please ensure children have a bottle of water each day.

**Please report absences to school by telephone before 9.00am each day of absence.**
